

Year 10 IGCSE History

Term 2

During the second term the students will engage with two more topics from the CIE Modern 20th Century History syllabus. The first unit this term will look to answer the question of who was to blame for the Cold War. Examples of topics that will be covered are the breakdown in relations between the USA and USSR, The Berlin Blockade and the how USSR gained control of Eastern Europe. Following on from this unit the students will begin their next topic which is looking at how effectively the USA contained communism.
