

Year 8 MFL (Mandarin) Term 1

Content

Year 8 students will learn to write accurately in simplified Chinese characters, read and understand written Chinese characters, communicate orally in Mandarin, and understand spoken Mandarin, all at a beginner's level.

Topics include tones, pinyin, strokes, rules of written Chinese characters, numbers, dates, birthdays, telephone numbers, nationality, family members, self-introduction, and telling the time. In addition to learning materials from the textbook, students will complete two projects throughout the term.
