

## Year 11

### Term 1

#### **Chinese**

#### **Course Content**

In term 1, students will learn topics about 'Fresh Market, Snacks, Eating out , and Neighbourhood'. After learning, students will be able to name the food, fruits and vegetables in the market and talk about their experience eating out. They can describe their neighbours, including location, environment, facility and public transit nearby. Students will be able to ask about the road in Chinese and give direction to others.
